## Fundraising Committee Report September 7, 2008

### Committee Members:

Chair - Taryn Hefler

Member - Harry Adler

Member - Bill Hatherly (financial information only)

Member – Aliza Levenson

### Purpose of this committee:

To maintain on going financial strength for HOPE AACR so we may better assist the communities we serve.

### Recent work of the committee:

Our committee has not met since the last report. But I have sent one grant proposal to *Morongo Band of Mission Indians* and one letter of intent to *Planet Dog*. We are waiting for their determination.

### Projects:

*Putts for Mutts fundraiser* –Have been researching this as a fundraising event that could be an annual event. The event will take place at a miniature gold course and will be family orientated. Details are still being worked out. It would be something similar to regular golf fundraisers but can include the entire family. We will have sponsors, donors, and ticket sales. If feasible this event will take place in June 2009.

### Regional Fundraiser Event:

*PSW Garage Sale*: PSW region held a one day garage sale. They received approx. \$350. Garage Sale items were donated from team members, friends, and co-workers.

### Pending Issues that need BOD attention:

How will grant funds and/or donations be utilized?  
Will these funds be shared between the regions?

Respectfully submitted
