Dear Susan:

Thank you so much for bringing your wonderful dogs to our campus here at Kelly Elementary School in Carlsbad. The children have thoroughly enjoyed visiting with the dogs during their recess. We have received many, many phone calls from parents commenting on the positive affect the dogs have had on their children. It has been such a success that we are hoping we can extend their visit through next week. Please have someone contact us at 760.331.5800 if that is a possibility. Thank you very much.

Respectfully yours,

Tressie Armstrong
