

HOPE AACR Impact

A MESSAGE FROM OUR PRESIDENT

This impact summary serves as a powerful testament to the tangible effect of our work at HOPE AACR and reinforces that what we do truly makes a difference in the lives of those whom we serve. Your support enables us to continue providing comfort and healing through animal-assisted interventions during crises!

THE YEAR AHEAD

In 2024, HOPE is poised to strategically expand its journey of growth and collaboration. We are laying the foundation to extend our organizational reach, enabling us to forge new partnerships and broaden our ability to comfort. Through nurturing relationships and garnering additional support, our goal is to magnify the positive influence of animal-assisted interventions, reaching and supporting more individuals in times of crisis and disaster.
